**MacSpeech Scribe Legal:
Your Personal Transcriptionist**
MacSpeech Dictate Legal includes MacSpeech Scribe Legal, a personal transcription solution specifically for legal professionals. No more manually transcribing your notes. Just open your spoken-word audio file, click the 'Transcribe' button, and MacSpeech Scribe Legal does the transcription work for you. What's more, MacSpeech Scribe Legal lets you create six individual speech profiles to ensure maximum transcription accuracy for up to six different voices, and like MacSpeech Dictate Legal, MacSpeech Scribe Legal supports over 30,000 legal-specific words and terms.

Amazing Accuracy

MacSpeech Dictate Legal will astound you with its accuracy rate—near perfection with up to 99% accuracy. You simply talk and leave the recognition to MacSpeech Dictate Legal. And MacSpeech Dictate Legal never misspells a word ... typos are a thing of the past.

Essential Command Capabilities

Instead of using your mouse to select menu commands or your keyboard to type shortcuts, just speak a command. MacSpeech Dictate Legal executes it for you. What could be easier?

Works With Your Applications

Word processors, contact management apps, billing and project tracking solutions, and more. And MacSpeech Dictate Legal works great with Apple's applications as well, including iChat, Mail, iPhoto, and Keynote, among others.

Make Your Move

You don't need a keyboard or mouse to move around in your documents. MacSpeech Dictate Legal lets you move your cursor forwards, backwards, and much more with just your voice. It helps make editing your documents a breeze.

Minimal Training Required

With just minutes of training, you'll be using MacSpeech Dictate Legal's superior capabilities.

Even Greater Recognition

MacSpeech Dictate Legal boasts robust Phrase Training capabilities, allowing it to learn as it goes. Moreover, MacSpeech Dictate Legal supports over 30,000 legal words and terms, so it's up to your most arduous writing tasks.

Spelling A World Of Words

MacSpeech Dictate Legal's spelling mode lets you easily spell words, names, and acronyms with either natural language or the International Radio Alphabet.

Document Freedom

MacSpeech Dictate Legal works great with most text documents, even those it didn't create. MacSpeech Dictate Legal can read a document's contents, or a portion of it, that you can then navigate and edit.

No Hidden Costs

Includes everything you need to be productive, including a high quality headset microphone.
